

WE ALL ROW

VALLEY CITY STATE UNIVERSITY CENTURY CLUB

BUILDING CHAMPIONS

It is an exciting time to be a Viking!

We are closing in on securing the funding for a new indoor practice facility at our campus – a project that we feel is a gamechanger for our teams – and have continued momentum in the enrollment and growth of our campus. Valley City State University continues to demonstrate a commitment to creating an environment that allows our students to excel and grow.

Your donations play a huge part in that as we work to fund scholarship support for our student-athletes. Every dollar donated to the VCSU Century Club goes directly towards the education and scholarships for deserving student-athletes. Your gifts help strengthen and enhance our teams as we compete for North Star conference championships and national recognition.

Supporting the Century Club means investing in the local community. Our students add to the workforce while at VCSU and then graduate to become area teachers, coaches and employees. By giving to scholarships, you are fostering a cycle of positive impact within the community.

We are proud to call Valley City OUR home. Let's make Valley City proud to call the Vikings THEIR hometown team!

MAKING AN IMPACT

"VCSU has been a big part of our family ever since Chris and I both attended college here and I was a member of the women's basketball team. The basketball program and other athletic teams have always been close to our hearts and will continue to be for years to come. We will forever be grateful to the VCSU community. Here, the drive and determination for success is second to none. The experiences and memories it has given our entire family will last a lifetime."
